Grand Duchess Elizabeth Romanov Society

The Society was established in December 2015 to spread the knowledge about the life and legacy of Grand Duchess Elizabeth Romanov, Queen Victoria's granddaughter. She was English in her upbringing, a German princess of Hesse-Darmstadt by birth and a Russian Grand Duchess of the House of Romanov by her marriage. During her life she was praised for her extraordinary beauty and charitable character.

After her husband's tragic death in 1905 she established a Convent of Mercy in Moscow, becoming its Head. She was martyred during the Russian revolution and was canonised as a saint.

This great woman is slowly being recognised in Britain and statues of her have recently been erected at Westminster Abbey and in St Alban's Cathedral.

The Society's aim is to organise a wide range of public events: exhibitions, lectures, conferences, film screenings, concerts and pilgrimages; to support historic research and publications; to promote media and art projects dedicated to the Grand Duchess and her deeds.

The figure of Saint Elizabeth has enormous potential to bring universal Christian values back to life, to improve mutual understanding between the peoples of Britain, Germany and Russia and to show our common roots and values.

We hope that we can increase our knowledge of such crucial periods of European history as the First World War and the Russian Revolution. The coming centenary of these events in 2017-2018 may produce special requests to the society.

Membership Invitation

We invite everybody who is willing to help the promotion of the personality of Grand Duchess Elizabeth to become a member of our society.

The membership is free but we will need your voluntary contributions and help in organising events.
